May 2015 (page 1)

Praise God for Souls Saved!!

Seeing God prepare the hearts of those around us is such a blessing! We have had the privilege of seeing several of our neighbors receive Christ through door-to-door evangelism. Also, through the church and Sunday school

several ngäbe children have trusted Christ as well. Please pray for them as they begin to grow in Christ!

God keeps opening more doors! He has given us the opportunity to expand our feeding ministry. We now have a children's Bible class and feeding at the house every week night. This is in addition to going to the coffee plantations. We are also starting an additional service on Sundays to accommodate those in our area! This service begins June 7th at 10am. Please pray!!

God has blessed us with a playground! A man in our town was the answer to our prayers. He said he knew how we helped the children and wanted to make us playground equipment! Now, about 50 kids currently make use of it repeatedly throughout the week!

May 2015 (page 2)

We had our first ladies meeting. A visiting group brought gift bags for the ladies and nail polish! What joy it brought to them to be pampered if only a little bit! We have such a sweet group of ladies and it was nice to be able to care for them in this way!

Please pray for Maria Cecilia! Her heart sometimes stops beating while she sleeps. This week she was hospitalized and they are going to be putting in a pacemaker. Once the pacemaker is put in she will need to stay in the hospital for two weeks to

recover. We are praying that there are no complication and she will be able to return to Panama soon to be with her family. They sure miss her!

Please continue praying for Daniel! He has been diagnosed with *Idiopathic Juvenile Osteoporosis*. This is why his bones were fragile and broke so easily. Treatment for this condition is going to take several years. However, God has miraculously healed his heart and we know that He has a plan for all of this in Daniel's life!

Your Servant in Costa Rica,
