November 2016

As 2016 draws to a close we are looking forward to a new year! Actually, we are looking forward to a new year like never before! God has blessed this year and the ministry has grown. We have had many trust Christ and follow the Lord in baptism. Families have grown in Christ. Many children have been helped through the children's home. The feeding ministry is growing and we now have sponsors for both locations! The second location has the potential of growing well beyond our current support so please be praying about that.

PRAY FOR LABORERS! Overall ministry wise we have seen more growth than ever before. Needless to say we have hit more challenges than ever before. We have been doing so many ministries but have come to the realization that we need more help!! We need both long and short term volunteers for the children's home, help with the feeding ministries and the overall ministry. We have some volunteers during the month of January but would like to schedule more throughout the year.

PLEASE PRAY! Please keep us in your prayers. There have been several viruses passing through the family as the weather is transitioning from winter (rainy season) to summer (dry season). The kids are getting ready to take their final exams and end their school year. The northern part of Costa Rica and southern zone are recovering from hurricane Otto. We are so thankful for all the prayers and we were personally not affected! We are already making plans for the coffee harvest and pray for the many people we will be working with during this time. There are special evangelistic events planned for every month from December through March. Pray for souls saved and more contacts in remote areas of the reservation. We are looking forward to a new year and all God has planned! Merry Christmas!!

Your Servant in Costa Rica.
