May 2016

The Lord allowed me the opportunity to preach on the reservation in Panama. We held a three day conference in Llano Majagua. My son Daniel and a man from our church were able to accompany me on this trip. Many walked quite a distance to attend the preaching so they slept on the ground underneath the trees and the church roof. During the conference 39 people received Christ a their savior.

Our minivan has come to the end of it's life. It now costs us several hundred dollars a month to keep it running. Please pray for God's provision to acquire a newer van for the ministry. We really need a vehicle that is 10+ passenger and will last us a good long time.

At the end of May we received a visit from the dear family that helps us organize missions groups. We were able to make all the plans for the three groups visiting this summer as well a enjoy some family time together. Please pray for the upcoming VBS and evangelistic outreaches.
