VBS 2015!!

Praise God for a team from Mt. Zion Baptist Church who helped us hold VBS in our local school and our house! We also delivered baskets of food to needy families. Through the services and in home visits 40 people received Christ as their savior! Most of the people had been attending church for several weeks and heard the gospel repeatedly. Praise God for these decisions and their desire to trust Christ!

New Morning Service! Because the Ngäbe work seven days a week we have always held their church services in the afternoon.

Now that we have the comedor (feeding ministry) we have been able to build relationships with more Costa Ricans. Through this ministry we have started a morning service as well! God is truly blessing this new service and we are seeing many saved as a result!

As people trust Christ it has been such a blessing to give them a Bible through the donations of BEAMS Bibles!

God has blessed us with a bus! Recently we asked for prayer for God's provision to buy

a bus. He provided quickly and now we have a bus to pick up people for church! These photos were taken the very first week when we dedicated the bus to the Lord. God gave us this bus and we promptly gave it back to Him! Thank you to everyone who prayed for the bus and for those who have been praying for our son Daniel as well! As

you can see in the picture he is upright and walking!! He still has a long road ahead with the osteoporosis so please keep praying!

Please pray for God's provision once again! The doors just keep opening and God keeps blessing! We have the opportunity to buy an adjacent house to our ministry center. It

would be a second children's home. This would also be a blessing for emergency and medical cases. There will be at least 2 ladies living in the home to care for the children. Behind it is a large roofed area that would be perfect for our feeding ministry

and expansion. There is already a gate that connects the properties. The owner wants to work with us but needs a good down payment. **Please pray** for the needed funds and the opening of this new home!!
